

Thank you for your interest in joining the Oxford Theatre Guild (Registered Charity: 294056), Oxford's largest and oldest amateur theatrical group.

The Guild usually produces four shows per year. We have a long-standing tradition of performing at the Oxford Playhouse in spring and in the gardens of a university college for two weeks in summer. Our autumn and winter productions tend to be staged in smaller theatres – recent venues include the North Wall Arts Centre and the Simpkins Lee Theatre in Lady Margaret Hall. We aim to provide a balanced programme of plays comprising both classics and work by less well known and contemporary writers, allowing our members the opportunity to be involved in a wide variety of theatrical styles.

We hold open auditions for every production; these are advertised to our members, supporters and the general public. Note, however, that although non-members may audition, everyone cast in a production must join OTG if not already a member. This applies also to the production crew.

To become a member, please complete and return the following page to me along with a cheque for the appropriate amount. You can also join via a direct bank transfer.

If you wish to pay by cash or cheque, please send to Simon Tavener, OTG Membership, c/o 30A Jericho Street, Oxford, OX2 6BU. Please remember to send the attached form with your cheque.

If you wish to pay by bank transfer these are the details you'll need:

Pay to: Oxford Theatre Guild

There are three types of membership of Oxford Theatre Guild. Full Membership (£10 p.a.) allows you to take part in our productions and entitles you to our weekly email bulletin, *Prompt*, and a full colour annual review of our activities. Concessionary Membership (£5 p.a.) provides the same benefits to students, unwaged, or senior citizens. For Associate Membership (£5 p.a.), you receive *Prompt* and our annual review; however, to take part in productions, you will need to upgrade your membership.

Please select the type of membership you are paying for (delete as applicable):
